ABOUT US

Heywood Rural Health strives to provide care and services to the community that are personal, safe, effective and connected. In doing this, we hope the consumer experience is a positive one and that the community continues to have confidence in Heywood Rural Health as a provider of quality and safe healthcare services. We provide a wide range of care and services under the following programs:

- Primary/Community Health, including a Medical Clinic;
- Acute/Urgent Care, and
- Residential Aged Care.

We are person-centred in our approach and offer a holistic, individual service which is caring, inclusive and supportive to all.

Our Vision

Heywood Rural Health is committed to the health and wellbeing of our community.

Our Values

Respect

- We make mutual respect the basis of all interactions.
- We respect diversity and respect the dignity of each person.
- We embrace the differences in people and perceptions.

Responsiveness

- We take actions and opportunities to create results.
- We provide services that are person-centred and focused on outcomes.
- We keep our commitments and promises.

Care

- We care about the people and the community within which we work and live.
- We care about our colleagues and ourselves.
- We support people to develop and build on their strengths.

Integrity

- We uphold our professional ethic at all times.
- We are honest and fulfil our commitments.
- We are accountable for our actions.

THE APPLICATION PROCESS

Heywood Rural Health is proud to be an Equal Opportunity Employer. Our recruitment processes are conducted in a fair and equitable manner to ensure that all decisions are merit-based and comply with equal opportunity and workplace-related legislation.

We aim to ensure all recruitment processes result in the best people joining the Heywood Rural Health team, so that we continue to deliver high quality services to our communities.

Preparing your application

Your application is your introduction to those who will form the selection panel, and the information you provide will be the basis on which the panel will assess your suitability for the position.

To ensure the panel can accurately assess your suitability when shortlisting applicants, it is important to include the following:

Cover Letter

Cover letters are a great way to introduce yourself and show how you will be a good fit for both the advertised position and for Heywood Rural Health. You can do this by keeping your letter relevant to the position and focus on the requirements for the role.

Statement Addressing the Key Selection Criteria

The Key Selection Criteria for each position details the knowledge, skills, experience and qualities that have been deemed essential for applicants to possess to be successful in the position. All applications received are assessed against the Key Selection Criteria when shortlisting is conducted, so it is essential you address the criteria in your application. This can also be addressed in your cover letter.

Current Resume

A current resume detailing your employment history, educational history and qualifications, skills and experience must be provided. Please ensure your resume includes your up-to-date contact details, including a telephone number, so you may be contacted if required.

Current Referees

The names, position titles and contact telephone numbers of at least three professional (work-related) referees must be provided. These should include a direct supervisor and/or a current employer.

Heywood Rural Health is pleased to accept all applications for positions and does not favour hand written applications over typed applications or vice versa. However, all applications should be neat and legible for ease of reading. *Please staple together all information; do not enclose your application in a folder.*

Submitting your application

All applications are treated with the strictest confidentiality and are to be addressed as follows:

Confidential

Erin Wilson
People & Culture Facilitator
Heywood Rural Health
PO Box 159
Heywood Vic 3304

Alternatively, applications may be submitted via email to the people and culture department:

hr@heywoodruralhealth.vic.gov.au

Applications for positions must be received by the nominated closing date and time. Applications received after this time will not be considered.

All applicants will be contacted by the People & Culture department to confirm receipt of their application.

This notification will be via email, or via post or phone when no email address is received for the applicant. If you do not receive confirmation that your application has been received, please check your "Junk" email folder prior to contacting Heywood rural health

THE SELECTION PROCESS

Heywood Rural Health has a robust selection process to ensure all decision are based on merit, and are not influenced by personal bias or conflicts of interest.

Shortlisting and Notifications

Candidates are assessed against the Key Selection Criteria for the position and against the other applications received. Considerations include the applicant's fit with our culture, the team, and the duties to be performed.

Although timeframes may vary, shortlisting is usually completed within two-weeks of the closing date. You will either receive a phone call inviting you to an interview for the position, or written notification that you have been unsuccessful within four-weeks of the closing date.

Interviews

All shortlisted applicants will receive a phone call to be offered an interview and will receive written confirmation of the interview time, date and location once agreed.

Where practical, all interviews will be conducted face-to-face with a selection panel of two or three individuals. Candidates will be asked a selection of pre-determined interview questions and may also be required to complete a practical test, element or presentation relating to the position or the Key Selection Criteria for the role.

Applicants selected for interview who have any special requirements or require assistance for the interview process are asked to inform the People & Culture department to ensure necessary arrangements are in place.

Pre Employment Checks

Following interviews being conducted, the panel will decide upon a recommended applicant who will be invited to undertake all relevant pre-employment checks for this position.

The checks required will vary dependent on the role to be offered, but may include:

- At least two refereechecks, one of which must be from your line Manager;
- A Police check;
- Vaccination Evidence:
 - Current year Influenza Vaccination
 - All three Mandatory Covid Vaccinations

Confirmation the employee holds all relevant qualifications and licences where required for the position including:

- Driver's Licence
- Formal qualification/s

Once a person has been determined to be the preferred applicant, all documentation needed to complete the required checks will be forwarded to the successful candidate for completion; the documentation is to be returned to hr@heywoodruralhealth.vic.gov.au

OFFER OF EMPLOYMENT/UNSUCCESSFUL CANDIDATES

An offer of employment will be formally made once a preferred applicant has returned and satisfactorily passed all required pre-employment checks.

Once verbally accepted, a formal letter of offer pack comprising the letter of offer, position description and relevant HR forms (contact details, tax file number, etc.) will be forwarded to the applicant via email.

All interviewed applicants unsuccessful in obtaining the position will be notified of the outcome of the position via phone call or written notification

EMPLOYEE BENEFITS

Salary Packaging

Salary packaging is an Australian Tax Office approved way of using concessions available to your employer to reduce the amount of tax you pay.

As an employee of a public hospital or ambulance service, you are entitled to a fringe benefits tax (FBT) exemption which allows you to salary package up to a capped limit of \$9,009 on everyday living expenses (such as mortgage, rent, credit card repayments) and an additional \$2,650 towards meal entertainment each year.

There are other items you may be eligible to salary package over and above your capped limits such as novated leasing, remote area housing and relocation expenses.

Employee Assistance Program - EAP

Heywood Rural Health provides an employee assistance program to its employees. An employee assistance program is a voluntary and confidential counselling service provided for employees. Staff counselling is available for both work related and personal issues.

HEYWOOD

About Heywood.

Heywood is a town on the Fitzroy River in the Australian state of Victoria. It is situated at an elevation of 27 metres amidst rolling green hills in an agricultural, pastoral and timbercutting district. Heywood is 357 kilometres (222 mi) west of Melbourne at the intersection of the Princes and Henty Highways and 27 kilometres (17 mi) north of Portland. It is on the railway line to Portland, at the junction of the presently-unused branch to Mount Gambier, South Australia. The winner of several past "Tidy Town" awards, it is often referred to as the "Jewel of the Southwest."

Our Vision

Heywood Rural Health (HRH) is committed to the health and wellbeing of our community.

Our Values

Respect

- We make mutual respect the basis of all interactions.
- We respect diversity and respect the dignity of each person.
- We embrace the differences in people and perceptions.

Responsiveness

- We take actions and opportunities to create results.
- We provide services that are person-centred and focused on outcomes.
- We keep our commitments and promises.

Care

- We care about the people and the community within which we work and live.
- We care about our colleagues and ourselves.
- We support people to develop and build on their strengths.

Integrity

- We uphold our professional ethic at all times.
- We are honest and fulfil our commitments.
- We are accountable for our actions.

PRIMARY OBJECTIVES/KEY PURPOSE OF THE ROLE:

The aim of the District Nursing Service is to enhance the independence and health outcomes of a consumer and avoid early admission to hospital and/or residential care through the provision of District Nursing Services that meet the consumers assessed nursing needs for a defined health outcome. District Nursing is not designed to deliver a high level of nursing interventions, nor be a substitute for a fulltime carer or a respite service. Similarly, the District Nursing Service is not a hospital substitution service or part of a hospital substitution service.

District Nursing Services can be defined as a primary care service that aims to support the general health of a consumer with low risk, simple clinical interventions. District Nursing Services are delivered by a skills mix of Registered Nurses (RN), and Enrolled Nurses (EN).to provide evidenced based person focused nursing care with the consumer, their family and carers using a holistic approach. The District Nurse will form an integral part of a multi-disciplinary team and will be required to provide highly responsive nursing services to consumers, their family and carers, while upholding a high level of professionalism and confidentiality. The District Nurse will act as a role model and practice within the values of Heywood Rural Health.

DUTIES AND RESPONSIBILITIES:

Establish standards, guidelines and principles in relation to the Key Selection Criteria of the position, which include:

Leadership and Governance

- Demonstrate a commitment to continuous improvement and achievement of excellence in service delivery;
- Proficient time management and self-management skills, including a demonstrated ability to operate strategically, in line with Heywood Rural Health Statement of Priorities to ensure service delivery is provided within defined timeframes;

- Work within a framework of continuous improvement and innovation to deliver industry recognised evidence based best practice nursing services, within a clinical governance framework;
- Work with ongoing clinical oversight and management of the consumers District Nursing Services with the consumers GP at all times;
- Uphold and practice within privacy, confidentiality, and professional boundary requirements;
- Administer the function to ensure current policy and procedures are understood and adhered to, including the Charter of Aged Care Rights;
- Develop, implement and review policies and procedures and make recommended updates using evidenced based principles;
- Actively contribute to organisation meetings and committees the strategic direction of HRH and achieve District Nursing Service operational goals;
- In consultation with the Community Health Manager develop strategic and quality improvement plans to maintain and improve District Nursing standards of practice;
- Prepare reports and develop actions in relation to District Nurse clinical issues for accreditation requirements, and provide recommendations to the relevant committees;
- Practice within a continuous improvement framework, including: Risk management, compliments and complaints management, evaluation of continuous improvement outcomes and clinical record compliance;
- Capture issues/risks/“Opportunities to Improve” (OIT) on the RiskMan register, with actions, and report to the Community Health Manager in a timely manner;

Team

- Promote and facilitate dignity, integrity and a respect for cultural and linguistic diversity, and social differences;
- Demonstrated ability to work autonomously with a high degree of initiative;
- Actively work consistently and cohesively with teams within and external to Heywood Rural Health, to develop and maintain a harmonious integrated and cohesive team culture, with the goal of providing professional, respectful, safe, timely, budgeted and coordinated services with consumers;
- Ensure the current health condition and desired health outcome for each consumer is communicated within the District Nursing team, and the multidisciplinary team for continuum of care and holistic care;
- Contribute to the learning, development and supervision of students from other agencies such as University, SWTAFE, providing a safe and supportive setting to mentor students in a learning environment.
- Mentor and support new District Nursing staff.

Consumers and the consumers relevant other/s

- Provide District Nursing services upon receipt of written referral, outlining consumers nursing care need for a medical condition. via: General Practitioner (GP), treating doctor in a hospital, Specialist; or Nurse Practitioner specialising in a District Nursing field;
- Obtain written informed consent from the consumer before commencing District Nursing Services. If the consumer is unable to give their consent, a person who is legally authorised to give substitute consent for services under State or Territory law (e.g. The Public Trustee, Guardian, a holder of an appropriate Enduring/Special Power of Attorney, etc.) may consent on the consumers behalf;
- Assess the nursing care needs of a consumer through a comprehensive assessment following receipt of a referral from an authorised referral source, following transfer from another District Nursing provider; or an identified change in the consumers medical status (i.e. clinical deterioration, discharge following hospital admission, following respite admission);
- Use validated assessment tools based on current Nursing industry best practice standards;
- Use outcomes from the comprehensive nursing assessment to inform consumer goal directed care plan and nursing treatment plan:
- Report the outcomes of each comprehensive nursing assessment with the consumers GP, and include signed consumer consent to share information;
- Identify any Allied Health or community services that are required (for example occupational therapy, Meals on Wheels) and submit an informal request with the consumers GP, prior to arranging referrals;
- Develop an individual pandemic plan with the consumer to mitigate risk of clinical deterioration;

- Educate and provide consumers (and the consumers family / carer) with emergency processes and responses to enable consumers to have access to 24 hours a day, 7 days a week response;
- Conduct a formal review of the consumers District Nursing requirements (and the consumers relevant other/s where consumer consent is obtained), at specified times throughout the Episode Of Care (EOC), or earlier in the event of clinical deterioration and/or change in consumers circumstances, and progress timely actions based on the outcome of these reviews;
- Deliver District nursing services in a safe, effective and responsive manner to facilitate positive clinical outcomes with consumers.

Documentation and Communication

- Comply with legislative documentation requirements at all times;
- Ensure Documentation is maintained and captured in real time, on all occasions of direct and indirect contact, is based on evidence based best practice, is subjective, and includes actions to achieve outcomes in a timely manner;
- Ensure all forms and documentation includes date, name, signature and designation;
- Review, monitor an update forms during identified changes (clinical deterioration, post hospital discharge, the addition of an Allied Health service, change in consumers GP), within a defined Episode of Care, or every 6 months;
- Communicate with consumers multidisciplinary team and GP, where signed consumer consent has been obtained.
- Efficient computer literacy, including the use of MS Office, the internet, and other computer software packages, including TRAK Care.

Professional Development

- Participate in ongoing professional development through in-services provided by the organisation and attendance at relevant professional seminars/conferences;
- Be responsible for maintaining own continuing professional development, in collaboration with and following prior approval with the Community Health Manager;
- Maintain membership of relevant professional bodies, including up to date and accurate documented evidence, where required;
- Maintain professional networks and current knowledge of nursing practices and information technology;
- Actively participate in annual staff performance review requirements.

Financial sustainability

- Ensure all resources are utilised in a cost effective way, including effective use of equipment and supplies;
- Complete and submit claims with the DVA on a monthly basis;
- Ensure data is accurately captured and entered into relevant system/s, within allocated timeframes:

ACCOUNTABILITY AND EXTENT OF AUTHORITY:

Implement tasks in line with funding requirements and accountabilities, and in accordance with the policies, procedures and practices of Heywood Rural Health.

JUDGEMENT AND DECISION-MAKING:

The incumbent requires the ability to make decisions and carryout set procedures in line with Heywood Rural Health policy and procedures during crisis situations, which may occur when working with persons with dementia, who are frail aged, or persons with other complex clinical care needs, without the guidance of management. Such decisions will require some originality in approach with solutions usually attributable to the application of previously encountered procedures and practices. The incumbent shall recognise their own abilities and level of competence, and practice within the scope of the role and relevant legislative requirements.

Statements included in this position description are intended to reflect in general the duties and responsibilities of this position and are not to be interpreted as being all inclusive.

Duties and responsibilities may be reviewed in accordance with District Nursing Service requirements, clinical governance and Aged Care Accreditation standards.

PROFESSIONAL LEADERSHIP:

- Participate in the positive promotion of Heywood Rural Health.
- Be involved in health promotion activities by participating in health education of the client and community.
- Role model the HRH leadership capability framework by:
 - Leading Self;
 - Engaging others;
 - Achieving outcomes;
 - Driving innovation; and
 - Shaping Systems.

HRH Leadership Capability Framework (LEADS)

Other Requirements

REQUIREMENTS	
Code of Conduct	HRH employees are expected to adhere to the values as outlined in the <i>"Code of Conduct for Victorian Public Sector Employees 2015"</i> . Breaches of the Code of Conduct may result in disciplinary action.
Compliance	During the course of your employment at HRH, you must maintain currency of all pre-screening and credentialing/other matters specified in your HRH Contract of Employment.
Confidentiality	You must ensure the affairs of HRH, its patients, residents, clients and staff remain strictly confidential and are not divulged to any third party, for any reason, except where required for clinical reasons or by law. Such confidentiality shall extend to the commercial and financial interests of HRH. Any breach of confidentiality will be viewed as a serious matter and may be the subject of disciplinary action including termination.
Contract of Employment	Your appointment is subject to your acceptance of the terms and conditions as laid out in your Contract of Employment. Terms and conditions will apply until by mutual agreement they are altered or replaced in writing.
Cultural Diversity	Recognise and respect cultural diversity within the community and be committed to respecting the individual beliefs, age gender, economic , cultural and linguistic backgrounds of HRH clients and staff

Education	HRH is committed to education. All employees have a responsibility to undertake their own professional development. Mandatory and compulsory training is complied with in accordance with the Mandatory and Required Training Policy and Procedure and Training Matrix as well as other directives as notified throughout the year. Similarly, management has assigned responsibility for ensuring any legislative and policy changes are communicated to you as and when they occur.
Gender Equality	As a HRH employee you will contribute to equal and measurable outcomes for women, men and gender-diverse people. This includes equal representation, status and rights, establishing equal opportunities for all people to contribute to national, political, social and cultural development; and for all to benefit from these results.
Immunisations	Two mandatory vaccinations you must have as a condition of employment are a current influenza and current COVID-19 vaccinations, as well as other immunisations you need to have in order to undertake your particular role. Your ongoing employment is subject to continuous currency of all pre-screening requirements. Any failure to do so will be deemed to be in breach of this Contract.
Infection Control	It is your responsibility to comply with the Infection Control policies and practices of HRH. You will also be expected to participate in infection control education yearly.
Information Technology	You will need to be aware of the need to be familiar with and able to access and use the technology systems e.g. computer, intranet, email, telephone, photocopier, facsimile machines, Data Projector. You may/will also need to become familiar with the programs used by HRH e.g. Electronic patient records –TRAK, Riskman, Platinum 5.
OH&S	<p>You are required to comply with all HRH OH&S policies and procedures, and if you hold a managerial position you are also responsible for keeping your staff up to date with any changes, as they occur, to policies and procedures that effect or have the potential to effect the safe working environment of your staff and others.</p> <p>You are to take reasonable care to ensure personal safety and the safety of others who may be affected by acts or omissions of an employee in the workplace. You are to:</p> <ul style="list-style-type: none"> ▪ Follow safe work practices and use personal protective equipment as required; ▪ Participate in OH&S consultation and OH&S training initiatives; ▪ Report as soon as practicable, unsafe equipment, work practices or conditions (Occupational Health and Safety Act, clause 25) ▪ Report any accidents, incidents, injuries “near misses”, safety hazards and dangerous occurrences; assist with any investigations and the identification of corrective actions; ▪ Co-Operate with managers and supervisors so they can meet their OH&S responsibilities; ▪ Not wilfully interfere with or misuse anything provided in the interest of health and safety or wilfully put anyone at risk; and ▪ Perform only those tasks for which you have received appropriate training and instruction.
Performance Appraisal	Your manager is responsible for conducting your performance Appraisal at 30 days, 5 months and thereafter, annually.

Pre-Employment	Pre-Employment Medical Questionnaire includes evidence of immunisations. In relation to immunisations, two mandatory vaccinations you must have as a condition of employment are a current influenza and current COVID-19 vaccinations, as well as other immunisations you need to have in order to undertake your particular role. Your ongoing employment is subject to continuous currency of all pre-screening requirements. Any failure to do so will be deemed to be in breach of this Contract.
Police Check	Your appointment is subject to a satisfactory police records check. As this process can take several weeks prior to the commencement of shifts, you may supply a statutory declaration indicating you have no conviction for murder, sexual assault or assault resulting in imprisonment. These convictions will automatically preclude you from working in HRH.
Probation period	A three months' probation period will apply.
Privacy and Confidentiality	Employment is subject to your compliance with the <i>Health Records Act</i> . This <i>Act</i> requires compliance with Principles related to privacy regarding data collection (including photos), usage and security.
Quality and Safety	<p>HRH is committed to providing Safe, High Quality Care across all services. Expectations on staff to support this include:</p> <ul style="list-style-type: none"> • Demonstrate a commitment to best practice; • Take responsibility for their own practice and share responsibility for creating and maintaining a system that provides safe, high quality health care; • Ensure all Health Service activities are in accordance with the National Safety and Quality Healthcare Standards (Organisation-Wide) – 2nd Edition, the Home Care Common Standards (Primary and Community Health) and the Aged Care Accreditation Standards – July 2019; • Actively participate in the HRH Safety and Quality Program. All staff will contribute to quality improvement activities aimed at improving patient/resident/client outcomes and maintaining accreditation standards; and • Be actively involved in processes to monitor and evaluate the performance of the services provided by the work area. <p>Under the new dimensions of care, all HRH staff are expected to provide care and services that are:</p> <ul style="list-style-type: none"> ▪ Personal; ▪ Safe; ▪ Effective; and ▪ Connected. <p>N.B. It is the responsibility of every staff member to be familiar with HRH Service-Wide and specific Departmental Policies & Procedures.</p>
Smoke Free Campus Policy	Smoking is prohibited throughout all buildings and vehicles controlled by HRH. This policy applies to staff, patients, residents, clients, volunteers, visitors, contractors and others.
Staff Development	You are required to attend an Orientation Day prior to commencement of employment and participate in the Professional Development Program.
Termination of Employment	Four weeks (or as per Enterprise Agreement) written notice of termination of employment to be provided to their Department Manager.

As the incumbent of this position:

- i. I acknowledge I have received a copy of this Position Description, and have read and understand the requirements of this role. I agree to work in accordance with this Position Description;
- ii. I confirm I have read the Job Demands Checklist detailed in this Position Description, understand its content, and agree to work in accordance with the requirements of this Checklist;

- iii. I also understand this Position Description forms part of my Contract of Employment with HRH; and
- iv. I am aware management has assigned responsibility for ensuring any legislative and policy changes are communicated to me as and when they occur.
